

# Animal Justice's 2025 Election Toolkit

## 7 Ways to Help Animals This Election

1. 🎤 **Attend Local Events & Debates:** Participate in town halls, debates, and public forums where candidates present their platforms. Ask candidates about their position on animal protection issues—especially Animal Justice's priority election issues listed above.
2. 📞 **Contact Campaign Offices:** Reach out by phone or email to ask candidates where they stand on animal issues.
3. 🚪 **Door-to-Door Canvassing:** Volunteer for a candidate in your riding who supports animal protection goals. Make sure you tell them that's why they have your support.
4. 💰 **Donate to a Candidate:** Support a candidate who supports animal protection issues. Make sure they know you donated because of their strong stance on animals.
5. 🤝 **Join a Candidate's Team:** Offer your time to a candidate who supports animal issues. Volunteering on a campaign is one of the best ways to develop a strong relationship with your local representative, and show them that having a strong stance on animals can bring in support.
6. 🏠 **Lawn Signs & Posters:** Display campaign materials for candidates who advocate for animal issues.
7. 📱 **Share Information Online:** Use social media platforms to share candidates' positions on animal issues.
